Section 5 - Attestation, FERPA Release & Signature

- Truthfulness. Information provided is true and complete. Misrepresentation may result in denial, dismissal, or revocation of credit.
- FERPA release. I authorize the Registrar to access my prior Nobel academic, financial, and immigration records to evaluate this petition.
- Conditional approval. Readmission is conditional on prior academic standing, SAP, settlement of any balance, and the Dean's decision.
- Catalog year. I agree to the catalog year in effect at the time of readmission, unless otherwise approved.
- F-1 students. Absence of more than 5 months from the U.S. typically requires a new initial I-20 (not a SEVIS reactivation); I-20 issuance is contingent on current financial documentation.
